RULES and REGULATIONS GOVERNING TRANSFER MIDWEST CONSORTIUM SCHOLARSHIP 2020 – 2021

1. Transfer Midwest Consortium Scholarships are offered to a limited number of first-time ISU students who have been unconditionally admitted. Nursing majors are not eligible. This scholarship offers eligible students a reduced tuition rate. To retain this scholarship, the student must:

   A. Enroll as a full-time student each semester (minimum of 12 credits).

   B. Maintain academic good standing as measured at the end of each academic year for the duration of eligibility.

2. The Transfer Midwest Consortium Scholarship is good for a total of six consecutive semesters from the date the student enters ISU for on-campus undergraduate instruction, or the point at which a student earns his/her first undergraduate degree, whichever comes first. The Transfer Midwest Consortium Scholarship may be used without penalty during summer sessions. Summer use will not count against his/her number of semesters of eligibility.

3. A student who withdraws or discontinues enrollment for one or more semesters may request renewal for a future semester by writing to the University Scholarship Office before withdrawing. The appeal form is available at indstate.edu/thebranch, and can be best found by searching "Scholarship Appeal Form." The appeal should include the reason(s) for withdrawal and the semester he/she is planning to re-enroll. Students who withdraw or discontinue full-time yearly enrollment without submitting a written appeal and getting approval for the reinstatement of the scholarship will forfeit their award. Once the scholarship is lost, it cannot be reinstated.

4. Semesters in which a student enrolls are charged against the offer regardless of completion of classes, incomplete grades or no grades.

5. If at any point during your undergraduate enrollment at Indiana State University your residency status changes, you may no longer be eligible to receive the Transfer Midwest Consortium Scholarship. This will be effective from the point at which residency is changed, including any retroactive decisions.

6. If at any point during your undergraduate enrollment at Indiana State University your choice of major changes to Nursing, you will no longer be eligible to receive the Transfer Midwest Consortium Scholarship. This will be effective from the point at which the change of major to Nursing is granted to the student, including any retroactive decisions.
