ONLINE CAREER RESOURCES

Career Center
INDIANA STATE UNIVERSITY

All of the resources below can be found at www.indstate.edu/career-center.

Focus 2 Career is an online exploration tool. It will allow you to assess your career-relevant personal qualities and explore career fields and academic majors that are compatible with your assessment results. There are six areas of assessment: Career Readiness, Work Interests, Leisure Interests, Personality, Skills, and Values. Go to www.indstate.edu/career-center/focus2 and scroll down for the Login URL. Click the "Register" button and when prompted, enter "Sycamores" as your access code. Once you have completed the assessments, we recommend you make an appointment with a Career Coach to discuss your results.

What Can I Do With This Major? helps connect academic majors to careers. This site provides information to those exploring multiple majors or searching for information about their chosen field. Each major has information about the industries and employers that often hire students with these majors and provides suggestions about how to gain more information and build strategies to set oneself apart as a potential candidate.

Candid Career provides thousands of informational videos for individuals in all stages of career exploration and planning. Their site was created to provide the inside scoop on careers so viewers are well informed and prepared for what lies ahead. Videos are categorized in two sections: Career Profiles and Get Hired. Career Profiles highlight individuals based on their industries, career title, or college major, while Get Hired videos provide helpful information on professional dress, job and internship searches, interviewing, and more!

Sycamore Career Link (SCL) is the ISU gateway for connecting students, alumni, employers, and Career Center staff. This online service allows students to set appointments with career coaches and sign up for workshops and events. Additionally, you are able to submit your resume into the resume books for referral to employers and search and apply for internships and jobs posted specifically for ISU students. Students are able to log on to SCL from their portal using their ISU username and password.

CareerShift is a search engine that allows you to do geographic and industry specific job and internship searches. It also allows you to search for ISU alumni within an organization. Through the system, you can store application documents, manage applications, and save job or internship opportunities to view at a later date. All postings on CareerShift are recent opportunities that have been posted within the last 30 days.

Big Interview helps students learn how to answer common interview questions and practice for a professional interview. It is an online virtual interview tool that allows you to practice a variety of interview questions by recording yourself and watching it back. It also provides many instructional videos to watch. Go to http://indstate.biginterview.com, create your free account with your ISU email, and get started with the tutorials or jump right into practicing some questions.
