Spring 2018 Registration Prep

University College

Appointments: They're Quick!

- Registration appointments are typically 30 - 45 minutes in length and will go quickly; this means students must be prepared for their meeting
- When you arrive for your appointment you should have a list of possible courses for spring 2018; remember, ***you'll*** guide the conversation
- Students who arrive late or are unprepared may be asked to reschedule

How to Prepare:

- You should review your MySam Worksheet and MySam Plan to prepare for your registration appointment
- You can access MySam through your MyISU Portal via the Degree Audit Tools link

How to Prepare:

- You should start by reviewing your MySam degree audit worksheet
- Your worksheet is the page that automatically loads when you log in and lists your required courses. Foundational Studies are listed first followed by your major specific requirements

How to Prepare:

- If a particular semester isn't listed in the pop-up window the course is most likely not offered. However, your advisor can verify this during your appointment

- Tip: this feature can ease anxiety as registration approaches. Once you've completed your registration appointment and have your approved list of courses you can check your MySam Worksheet to verify if seats are still available as your registration date approaches.

How to Prepare:

- After reviewing your worksheet you should click on the Plans tab to review the plan your advisor has created for you.
- Remember, the plan is a starting point; some courses can be rearranged depending on your interests and requirements.

When you find the course, day, and time you want, check the box and select "Register" at the bottom of the page. Note that the "C" in the left column indicates the section is already full. You'll repeat this process for each of your classes until your registration is complete.

Registration Tips:

- Be prepared; registration opens at 6:30 a.m.
- Check available seats before entering registration system
- Verify you have resolved your registration holds before entering registration system
- **Have a list of alternate courses available for the registration process – it is *very possible* you will have to utilize at least one course from your alternate list. Be prepared!**
- When choosing a class that requires a lab, put a check mark next to BOTH the lecture and the lab before hitting "Register" or "Add to Worksheet"
- If you experience issues, register for as many classes from your approved list as possible and then contact your academic advisor for assistance

Advisors' Information:

- You can find your academic advisor's name on the bottom right side of your Student Self-Service Badge in your MyISU Portal

- To schedule an appointment with your advisor, please go to https://advisorscheduler.indstate.edu/uc
