### **CHRISTMAS CAMP INFORMATION**

Our Christmas Camps will offer you a great chance to learn and have fun playing the game of baseball. We are looking forward to teaching and working with you at ISU.

Don't miss this opportunity to be a part of the Indiana State Baseball family for a day! Our Christmas Camp Schedule will be filled with instruction for young and old, for new and advanced and for Offense and Defense. This combination of drill and instruction will help ensure that each camper improves on his game. The Pitching & Defense camp will allow campers to learn the proper techniques and skills on the mound and in the field, as well as displaying their talents. The Hitting Camp will be an excellent opportunity to polish your swing before spring time. By signing up for sessions 2 & 3, you will be exposed to 3 days of great baseball training. Signing up early has its advantages with our pre-registered Double Play Special (\$140) which saves you \$20. We hope you take advantage of this great offer.

Dear Campers,

The 2007 Baseball Season will be here before we know it, and we all know there is no off-season. On behalf of the Indiana State Baseball Program, we want to take this opportunity to invite you to be a part of our **2006 Christmas Camps and Clinics**.

The Christmas Camps are designed to help each camper continue to develop and strengthen their baseball talents while giving them the opportunity to work with our Division I college coaching staff. Through an intense day of drill work and one-on-one instruction, each camper will improve his individual skills while having fun. We are very excited to see you at **Indiana State**. It will be a great time!

Sincerely,
