

ATrack Tutorial - ACI

Type in Hyperlink - <https://www.ATRackonline.com/index.php>

Go to the login section on the lower right corner of the page –
Type in your ATrack ID and Password

To create your own profile, click on the *My Profile* section -

To view users click on *Show Users* section –

To Score Proficiencies click on the *Score Proficiencies* section –
Click on the students' name you wish to score –
Then click on the Content Area –

A *Legend* is provided on the upper right corner of the page –

P – Passed

NP - Not Proficient

NI – Needs Improvement

NE – Not Evaluated

IA – Initial Assessment

A box will be given with the *Code*, first column, a *Description* of the code, second column, the *Rating* you will give, third column, and a *Comment/Scenario* section, fourth column.

Both the *Rating* and *Comment/Scenario* columns will have drop down boxes for you to choose from.

To record scores click on the *Record Scores* button just below the entire box –

News updates will be posted on the right side columns.

When finished using the site – remember to click the *Logout* on the top right corner.
