Networks,
It's more than
the money...

How to Apply

1. Apply to Indiana State University at: www.indstate.edu/apply by **December 1st**
2. Once accepted to ISU, the Networks Scholarship Application will be provided for you to complete electronically
3. Ensure all required materials are received by the **December 15th** deadline
4. Candidates selected to move forward will be contacted after the first of the year for the interview weekend in the middle of February

"The Networks Program helps mold young and ambitious business majors into future leaders inside the class room and beyond. Networks has given me the self-confidence and practical skills to travel to 15 countries in Europe when I studied abroad.

Networks also taught me the business and interview expertise I needed to secure three internships, the last of which is at an international accounting firm, my dream job upon graduation. Studying abroad and internship opportunities are not as easily obtained for students outside of the program."

- **Bram Blackwell**
Dow, Illinois - Class of 2017

"As a born and raised Texan, it was daunting to move over eight hundred miles away. To unnerve me even more, I took on a role within the Networks Program as Industry Relations team leader, a position that relies primarily on connections in the Terre Haute area. This role has pushed me out of my comfort zone and challenges me constantly to become a better leader. Over the past year, my fellow scholars and the Ed Team have been nothing but supportive in my role within the program, making my transition to the Midwest auspicious."

- **Julia Linton**
Sugar Land, Texas - Class of 2019

Scott College of Business

The Indiana State University Scott College of Business is dedicated to providing an internationally-accredited professional education to qualified students at both the undergraduate and master's levels. It offers 10 majors with over 1,300 undergraduate students currently enrolled.

The Scott College of Business is AACSB Accredited, with national recognition in multiple programs.
