

Brian R. Sloan, CPCU, INS, AIS, AIM, AU, AINS  
*Divisional Senior Vice President*

Brian is a graduate of the Ohio State University with a Bachelor of Science in Business Administration in Insurance and Risk Management. Brian held a number of positions between 1984 and 2001 with Fireman's Fund prior to leading the Product Liability Underwriting Teams of Great American Risk Solutions. Prior to leaving Fireman's Fund, Brian had attained the title of Vice President Underwriting/Chief Underwriting Officer for Non-Admitted Facility. He is currently Senior Vice President of the Great American Risk Solutions Division managing the Complex Risk Underwriting Liability Units.

Matt Madar is an Underwriting Product Representative with Great American Risk Solutions. Matt graduated from the University of Cincinnati in 2014 with a BA in Organizational Leadership, and has been with Risk Solutions (formerly Specialty E&S) since April 2014. In Matt's role, he works with the Underwriting Officers to research growth opportunities, emerging issues, product development and maintenance, and training opportunities for the underwriting staff. However, as of June his primary focus has been the implementation of a new underwriting team that specifically targets smaller product accounts.
