

Coordinated Program in Dietetics Undergraduate Coursework

The Coordinated Program in Dietetics is based upon the Foundation Skills and Competency statements that are set forth through the Commission on Accreditation for Dietetics Education. The program includes 900+ clock hours of clinical experiences as part of the last two years of a four-year curriculum or as a two year option of the master's degree.

Select the “Supervised Practice” side bar to learn more about the 900+ clock hours of clinical experience.

Facilities include residence halls food service, area hospitals, long term care facilities and community agencies. Our generalist program focuses on a combination of management, clinical, and community experiences of dietetic practice with emphasis on medical nutrition therapy and management. In addition to the liberal studies and general education requirements the following is a listing of the required dietetics related courses.

DIETETICS PROGRAM REQUIREMENTS
(Rev. Fall 2006)

Family and Consumer Sciences Core – 7 hours

Course	Hours	Prerequisites	Semester Offered
FCS 107 Contemp/Hist. Perspective	1	None	F/S
FCS 109 Human Systems	3	None	F/S
FCS 410 Capstone Seminar	3	FCS 107,109	F/S

Out of Department Requirements for Major – 24 hours

Course	Hours	Prerequisites	Semester Offered
Chemistry 103 Elementary	3	None	F
Chemistry 103L Elementary Lab	1	None	F
Chemistry 104 El Org and Bio	3	Chem 103	S
Chemistry 104L El Org and Bio Lab	1	Chem 103L	S
Chemistry 330 Survey of Biochem.	4	Chem 104	S
LS 241 Human Physiology	2	Chem 103/104	F
LS 241L Human Physiology Lab	1	Chem 103/104	F
LS 274 Introductory Microbiology	2	Chem 103/104	F/S
LS 274 Introd. Microbiology Lab	1	Chem 103/104	F/S
Mgmt 301 Survey of Management	3		F/S
English 305T Technical Writing	3		F/S

Food and Nutrition Coursework Required for the Major – 54 hours

Course	Hours	Prerequisites	Semester Offered
FCS 221 Introductory Nutrition	3	Chem 103/104	S
FCS 226 Fundamentals of Foods	3	None	F/S
FCS 320 Orientation To Dietetics	1	FCS 221,226	F
FCS 322 Nutrition Methodology	3	FCS 221,226	F
FCS 324 Nutrition Assessment	2	FCS 221,322	S
FCS 325 Nutrition Assessment Pract	1	FCS 221,322	S
FCS 332 Quantity Food Production	2	FCS 226	F
FCS 333 Qty. Food Production Pract	2	FCS 226	F
FCS 420 Advanced Nutrition	3	Chem 104, FCS 221	F
FCS 421 Life Cycle Nutrition	4	FCS 221	S
FCS 422 Life Cycle Nutrition Pract	3	FCS 221, 322	S
FCS 423 Medical Nutrition Therapy	5	FCS 221, L.S 241, Chem 330	F
FCS 424 Medical Nutrition Th. Pract	6	FCS 435	S
FCS 428 Food Science	3	Chem 104, FCS 226	S
FCS 430 Food Svc. Systems Mgmt	5	FCS 226, 332	F
FCS 431 Food Svc. Sys. Mgmt. Pract	6	FCS 430	S
FCS 435 Independent Study	2	FCS 422	F

COORDINATED PROGRAM IN DIETETICS

Suggested Sequencing of Courses (Undergraduate)

Freshman

Chem 103/103L El. Chem	4	Chem 104/104L El. Org/Biochem	4
Communications 101	3	Eng. 107**Freshman Writing	3
Math 102	3	Information Technology	3
FCS 107 Cont/Hist. Persp.	1	Liberal Studies	3
Liberal Studies	3	FCS 109 Human Systems	<u>3</u>
English 101 or Liberal Studies	<u>3</u>		
	17		16

Sophomore

Liberal Studies	9	Chem 330 Physiol. Chem	4
LS 241/241L Anat/Phy	3	FCS 221 Intro. To Nutrition	3
FCS 226 Fund. Of Foods	3	LS 274/274L Microbiology	3
PE 101,101L	<u>2</u>	Liberal Studies	<u>6</u>
	17		16

Junior

FCS 332 Qty. Food Prod	2	FCS 421 Life Cycle Nutr.	4
FCS 333 Qty. Food Prod Pract.	2	FCS 422 Life Cycle Pract	3
FCS 322 Nutr. Methodology	3	FCS 324 Nutr. Assessment	2
Eng. 305T Technical Writing	3	FCS 325 Nutr. Assess Pract	1
FCS 420 Advanced Nutr.	3	FCS 428 Food Science	3
Management 301	3	Elective or Liberal Studies	<u>1-3</u>
FCS 320 Orientation to Dietetics	<u>1</u>		14 – 16
	17		

Senior

FCS 423 Medical Nutr. Therapy	5	FCS 424 Med. Nutr. Therapy	
FCS 430 Food Svc. Syst. Mgmt	5	Practicum	6
FCS 410 Capstone Seminar	3	FCS 431 Food Svc. Syst.	
FCS 435 Indiv. Study in Dietetics	<u>2</u>	Practicum	<u>6</u>
	15		12

**Students who have verbal SAT scores <510 or ACT scores <20 must enroll in Eng. 101 and 105. Students who did not earn a C or better in 2 years of the same foreign language in high school, are required to take 6 hours of foreign language in college.

Typical Schedule Fall Semester First Year

	Monday	Tuesday	Wednesday	Thursday	Friday
8:00		333		333	
8:30		333		333	
9:00	332	333	332	333	
9:30	332	333	332	333	
10:00		333		333	
10:30		333		333	
11:00		333		333	320
11:30		333		333	320
12:00		333		333	
12:30		333		333	
1:00	322	333		333	322
1:30	322	333		333	322
2:00	322	420		420	322
2:30		420		420	
3:00		420		420	

333 is Tuesday or Thursday

Required student activity 1 – 2 times per semester from 3 – 8 pm on Wednesday

Typical Schedule Spring First Year

	Monday	Tuesday	Wednesday	Thursday	Friday
8:00					
8:30					
9:00	324	421	325	421	324
9:30	324	421	325	421	324
10:00	410	421	410 325	421	410
10:30		421	325	421	
11:00			325		
11:30			325		
12:00					
12:30		422		422	
1:00	428	422	428	422	428
1:30	428	422	428	422	428
2:00		422	428	422	
2:30		422	428	422	
3:00		422	428	422	
3:30		422	428	422	
4:00		422		422	
4:30		422		422	

325 : 10 – 12 on Wednesday is one block of time option. If student cannot do that, then Monday or Friday from 2 – 5 must be left available.

Typical Schedule Fall Semester Second Year

	Monday	Tuesday	Wednesday	Thursday	Friday
8:00					
8:30					
9:00	423	435	423	435	423
9:30	423	435	423	435	423
10:00	423	435	423	435	
10:30	423	435	423	435	
11:00				435	
11:30				435	
12:00	430	435	430		430
12:30	430	435	430		430
1:00	430	435			430
1:30	430	435			430
2:00	410	435	410		410
2:30	410	435	410		410

All students will attend FCS 435 on Tuesdays from 9 – 11. Either Tuesday afternoon from 12 – 3 or Thursday morning from 9 – 12 must be left available for clinicals.

Typical Schedule Spring Semester Second Year

FCS 431 and 424 are on site 40 hours per week
