Conditional admission has a maximum time limit of one academic year. Applicants admitted on a conditional basis must maintain a minimum cumulative grade point average of 3.0 while enrolled in the College of Graduate and Professional Studies. A final admission decision shall be reserved by the academic unit until an applicant's performance has been evaluated after one academic year of enrollment.

For conditional admission status, an applicant must, as a minimum:

2. The applicant could be admitted under conditional status until the course is completed, which must be successfully completed prior to SOWK 608 (Advanced Research I). All other MSW Program requirements must be completed.

Provisional Admission

Provisional admission is intended for those students meeting regular or conditional admission requirements who are missing admissions materials other than an application, application fee,

and an official transcript from the institution granting their highest completed degree. Provisional admission status may be granted upon the recommendation of an academic unit. Final decision on an applicant admitted on a provisional basis shall be reserved until all missing documents are received but may not exceed one semester.

For provisional admission status, an applicant must, as a minimum:

1. Meet the criteria for regular or conditional admission.
2. Submit official transcripts.
3. Submit to the College of Graduate and Professional Studies a fully completed Graduate Admission Application Form with a non-refundable admission application fee of \$45.00 (U.S. citizens and permanent residents) or \$65.00 (international students) payable by cash, credit card, money order, or check made payable to Indiana State University.

An example of a possible request for *Provisional Admission* is an applicant who has not submitted a limited background check. The applicant could be admitted under provisional status until the background check has been received. The background check must be received before the start of the first MSW class. All other MSW Program requirements must be completed.

An example of a possible request for *Conditional Admission* is an applicant who has not successfully completed a statistics course. The applicant could be admitted under conditional status until the course is completed, which must be successfully completed prior to SOWK 608 (Advanced Research I). All other MSW Program requirements must be completed.

5. Applicant interviews will occur in the Department of Social Work. Interviews via technology (e.g., Skype) will be offered for applicants who are unable to come to campus.
6. The MSW Admission Committee will participate in the interview.
7. The consensus of the MSW Admission Committee will determine which candidates are selected for admission.
8. The MSW Program Director will make a final decision on candidates for whom a consensus was not reached by the MSW Admission Committee.

In evaluating applicants, the MSW Admission Committee will consider the following.

1. Past academic performance as reflected in a cumulative undergraduate GPA.
2. Critical thinking skills and the ability to communicate effectively in writing as reflected in the required statement of purpose and application questions. All written materials submitted are evaluated on punctuation, spelling, grammar, syntax, organization, and the ability to clearly express ideas.

12. Applicant's ability to successfully complete the MSW application process.

Admission Decision

Applicants will receive one of four admission responses.

1. Accepted,
2. Conditionally Accepted,
3. Provisionally Accepted, or
4. Denied.

Contingent conditions (for conditional or provisional admission) will be identified in the admission response to the applicant.

Conditionally Accepted –

- Students whose undergraduate record does not reflect their current capacity to do graduate work.
- Conditional admission has a maximum time limit of one academic year.
- Applicants admitted on a conditional basis must maintain a minimum cumulative grade point average of 3.0 while enrolled in the College of Graduate and Professional Studies.
- A final admission decision shall be reserved by the MSW Program until an applicant's performance has been evaluated after one academic year of enrollment.

Provisionally Accepted –

- Students meeting regular or conditional admission requirements who are missing admissions materials other than an application, application fee, and an official transcript from the institution granting their highest completed degree.
- A final decision on an applicant admitted on a provisional basis shall be reserved until all missing documents are received but may not exceed one semester.

Admission is competitive and the instructional and field practica resources of the Program determine total enrollment.

Applicant Notification

Admissions decisions will be relayed by the College of Graduate and Professional Studies. The MSW Program Director will also send a notice electronically via the e-mail address provided by applicants. It is imperative applicants provide a current email and inform the MSW Program if there is a change. It is recommended that a non-university email be used because university accounts are typically closed after graduation. A follow up letter will be sent to applicants accepted into the program if there is no response to the e-mail after a two week period of time.

Once the application is submitted to the Indiana State University MSW Program, it becomes the property of the Program and its content or copies of its content will not be released under any circumstances. There are a plethora of reasons an applicant may not be accepted into the MSW Program at Indiana State University. A denial for admission into this program does not mean an applicant would be denied admission into a different MSW Program at another university or into a different graduate program at Indiana State University. A denial means an applicant, when compared to other applicants, was not ranked high enough for admission. Applicants who are not accepted into the MSW program may re-apply for admission in subsequent years.

Advanced Standing

MSW applicants who have a BSW degree from a CSWE-accredited program, those recognized through its International Social Work Degree Recognition and Evaluation Service, or covered under a memorandum of understanding with international social work accreditors will not repeat what they have mastered in their undergraduate program. Students who meet the criteria may apply and be considered for the Advanced Standing Program described below.

If offered advanced standing, the applicant will be given *credit by credential* for the first 23 hours of the program (foundational courses). Students must meet the admission requirements for all applicants in addition to the following requirements.

1. Conferral date of their BSW degree is within the last 5 years
2. A 3.0 overall grade point average on a 4.0 scale for all undergraduate work attempted; or a 3.0 grade point average in the last 60 semester hours taken in the undergraduate program.
3. Satisfactory completion of a 400 hour generalist field placement (minimum) in direct practice with individuals, families, groups, and communities under appropriate social work supervision.
4. Meet the social work foundational level course requirements. Advanced standing applicants will have transcripts and/or program content evaluated by the MSW Admissions Committee to determine if foundation content has been met. The Admissions Committee reviews and evaluates all advanced standing applications. Applicants may be required to present copies of course descriptions, course syllabi, and/or assignments in order to document that appropriate content has been covered in the previous course of study.
5. Applicants must submit online their BSW final field evaluation or letter from their BSW field practicum agency supervisor and a letter of reference written by a full time (not adjunct) faculty member from their undergraduate social work program.

MSW Advanced Standing Admission Process

1. Applicants who seek admission to the MSW Advanced Standing Program must first achieve admission through the College of Graduate and Professional Studies at the University level (see admission criteria above).
2. Applicants must also submit all MSW Program materials and the Advanced Standing materials to the College of Graduate and Professional Studies online admission link.
3. The MSW Admission Committee will review and rate each candidate with an admission rubric (see Appendix). Criteria utilized for selecting applicants will be based upon graduate admission criteria, MSW application criteria, MSW Advanced Standing criteria, as well as individual ratings by the MSW Admission Committee.
4. A Committee meeting will be commenced to discuss each application and committee members rubric results.

5. The top ranked candidates will be invited to come in for an interview. If said candidate refuses, the Committee will make an admission decision based upon the application packet.
6. The consensus of the MSW Admission Committee will determine which Advanced Standing candidates are selected for admission.
7. The MSW Program Director will make a final decision for Advanced Standing candidates for whom a consensus is not reach by the MSW Admission Committee.
8. Note – an Advanced Standing candidate may not be selected for the Advanced Standing Program but may be considered and selected for the full-time MSW Program.

Transfer Credit

According to the College of Graduate and Professional Studies, courses taken for graduate credit at other institutions may be transferred in partial fulfillment of degree requirements under the following conditions:

1. Transfer of credit will be considered for graduate work taken only at regionally accredited institutions or at institutions recognized by the Department of Education. Graduate credits earned from an international college or university will be evaluated by the International Programs and Services before being considered for transfer into an ISU degree program.
2. The research requirement must be taken at Indiana State University. Graduate credits appropriate to the MSW degree taken at Indiana State University may be accepted for transfer at the recommendation of the MSW Program curriculum committee.
3. Transfer credit requests on courses that are not part of a completed graduate degree, licensure, or post-bachelor's certificate program and that were taken outside of the time-to-degree completion guidelines, must be sent to the College of Graduate and Professional Studies. The MSW Program's curriculum committee is responsible for evaluating the currency of the student's knowledge from courses presented for transfer.
4. Transfer credits approved at enrollment remain current within the specified time-to-degree completion period (seven years for masters, eight years for education specialists, and nine years for doctoral degrees).
5. Hours of credit may be transferred, but grades earned in courses taken at other institutions do not transfer.
6. Only graduate courses in which a student has earned a grade of B (or 3.0 on a 4.0 scale) or better may be considered for transfer.
7. Graduate courses taken at another university on a credit/no credit, pass/fail, or satisfactory/unsatisfactory option are not accepted as transferable unless approved by the appropriate academic unit.

Transferability based upon MSW Program Guidelines:

There are no unique agreements with other institutions regarding transfer of students. ISU has allowed a course equivalency evaluation of previous course work, which may be

for a foundation course. A person with graduate credits in a behavioral science field may potentially transfer one three-credit hour course to the MSW program with the following caveats: the MSW program must approve it as an elective and the course must not be more than five years old at the time of MSW graduation. The student must submit a narrative explanation as to how the requested transfer course would be beneficial to someone with a rural clinical MSW degree with a concentration in either mental health and addiction or health. Course work that is part of a conferred graduate or undergraduate degree may not be considered for transfer credit. Students will not be given course credit for advanced standing courses, field courses, or work experience.

General Information

Life Experience or Previous Work Experience

The MSW Program does not grant academic credit for life or work experience in whole or in part toward the social work degree.

Field Practica

Curriculum includes a minimum of 940 practica hours. There are two separate field experiences for each student. The first field experience (SOWK 605) is a one semester, 240 hour experience. The concentration practica (SOWK 610 and SOWK 615) are in a clinical setting and are done in two continuous semesters; 700 hour experience.

Concentrations

After completion of three mid-level courses (psychopathology in social work; social work practice with groups; the first field practicum), students then begin taking courses in their concentration.

The mid-level and concentration courses can be done full-time in two semesters and two summers.

Employment while in the MSW Program

It is difficult to work full-time and attend school full-time. Students should be prepared for a rigorous program of study.

Financial Aid

Information pertaining to financial aid may be found by clicking the following link:
<http://www.indstate.edu/gradexpress/finaid.htm>

Policy on Nondiscrimination

Based on the tradition of the social work profession, and consistent with Indiana State University's Equal Opportunity Policy, the MSW Program affirms and conducts all aspects of its teaching, scholarship, and service activities without discrimination on the basis of race, color, gender, socio-economic status, marital status, national or ethnic origin, age, religion or creed, disability, or political or sexual orientation.

Curriculum Grids and Course Schedules

Grids showing the required courses and schedules are listed on the following two pages.

At this time, MSW courses are currently aligned in the afternoon and evening hours to allow students adequate time to engage in field hours during daytime hours. Classes are typically conducted in the College of Nursing Building, face to face, on MW from 3:00 pm – 9:00 pm or TR 3:00 pm – 9:00 pm. Class locations, dates, and times are subject to change, but are provided as a guide for student planning.

SELF-DISCLOSURE STATEMENT

Read each statement below and respond to each question by writing your initials in the box (yes/no) that corresponds to your answers.

	Statement	Yes	No
1.	Have you ever been convicted of any violation of law, or are there <u>any</u> charges pending against you? (Include all criminal offenses, i.e., felonies and misdemeanors.)		
1a.	For clarification purposed related to question #1, have you been convicted of a sex offense against children? <i>(Requirements of Indiana P.L. 11-1994)</i>		
2.	Are you, or have you ever been the subject of any disciplinary proceedings while attending any college, university, or other post-high school educational program?		
3.	Are you or have you ever been the subject of any disciplinary proceedings by any professional organization?		

If you have answered “**Yes**” to any of the above questions, you must attach a personal, signed statement of explanation giving full details of the event. Also, include the facts and the disposition of the case. In addition, it is also appropriate to discuss significant issues disclosed here in your application questions. Acknowledgment of criminal activity, (except P.L. 11-1994), is not automatic grounds for denial of an application. The purpose of this section is to ensure that students who are admitted to the program are not actively dealing with issues or exhibiting behaviors that would impair their ability to succeed in a rigorous program of study and conform to the standards and expectations of the profession.

Final admission to the program is contingent upon the completion of a satisfactory criminal record check (due prior to beginning classes).

I hereby swear or affirm that the statements made by this application are true, complete and correct.
