

# DIVERSIFYING CLINICAL PSYCHOLOGY RECEPTION

## Westin Hotel San Diego, CA 01/14/2012

This is an opportunity for outstanding undergraduates from underrepresented groups who are interested in getting a Ph.D. in clinical psychology to meet informally with Directors from Clinical Ph.D. programs across the nation.

There will be an opportunity for students to present posters representing their research as well. While the reception itself begins at 5:00 p.m., students can participate in two workshops before the reception. One focuses on how to get into graduate school (beginning around 10:00 a.m.) and the other focuses on how to best use your time during the reception (beginning around 12:00 p.m.). Interested students should fill out an application by clicking [here](#):

Additional information will be sent to those who register.

Unfortunately, CUDCP has no money to fund student transportation, lodging, or other fees.

In the past, students' undergraduate institutions or sponsoring organizations such as the McNair Scholars program, COR, MBRS, and MARC, have provided funds for students to travel to this conference.

### Reservations:
