

McNair Fellowships and Graduate Admission Application Fee Waivers

Enclosed is a link to a website which will tell you which universities offer a graduate application fee waiver and/or a McNair fellowship. You should use this tool as a resource as you apply for graduate school.

If you are graduating between December 2011 and August 2012, now is the time to be looking at the websites for your potential graduate schools. Check the admission deadlines, requirements or admission, and financial aid and graduate assistantship deadlines. You will be asked about this information when you meet with McNair staff members during fall one on one meetings.
