

## **ISU College of Nursing, Health, and Human Services Nursing Challenge Exam Instructions for LPN-BS Distance Students**

To initiate the process for the four CSM's (customized study materials) and Nursing Challenge Exams, you will need to be completely admitted to the University and have a SID# (student ID number).

You purchase the four CSM's from TCN (The College Network 1-800-395-3276), but take the exams through ISU on ISU's Blackboard website. The four Challenge Exams are N106, N224, N328, and N330. If you do not pass an exam on your first attempt, you will be required to show proof of purchase of the relevant CSM from TCN to **Carol Layton** before your second attempt of the exam.

For the **Fall 2012** semester, all four exams (N106, N224, N328 and N330) will be required to be completed by the **June 1, 2012** application deadline, so please give yourself time for exam retakes if not passed successfully.
