

Campus Agreement 3.2 Student Users Acceptance Form

This acceptance form is valid for the Microsoft products listed below, which shall be referred to collectively herein as the "Software". Software is made available to you because Indiana State University has purchased license coverage for the Software through Microsoft Campus Agreement 3.2 Subscription Student Option effective August 1, 2004 through July 31, 2005. Indiana State University is extending to you the right to use the Software on a personally-owned computer or an institution-owned computer designated for your exclusive use. You do not own the license or the CDs, rather you are leasing the license and CDs from Indiana State University for the term of the agreement. You will be required to remove the software from your personal machine immediately upon the earlier of (a) any event, with the exception of graduation, which causes you no longer to be a student of Indiana State University or (b) expiration of the Campus Agreement 3.2 Subscription term.

If you graduate during the agreement term, the Software license will convert to a perpetual license (meaning you own the Software) as verified in your Student License Confirmation, which may be obtained from Indiana State University prior to graduation. The Student License Confirmation is proof of Software ownership. The Student License Confirmation form can be retrieved from <http://www.indstate.edu/it/user-serv/msca/licenseconfirm.pdf>

Please initial each statement:
