

## **How YOU can help with ISU's Alternative Spring Break!**

### Why we need your help:

- We want the opportunity to be available to all students—including those with less disposable income.
- The easier it is for students to afford, the more students will go, and the more good the program as a whole can do! (See “Why we go” for more on that.)
- It's costly! Gas prices and bus rental costs are rising. Still, we do our best to keep costs down. For example, we prepare the vast majority of our own meals. Those in Biloxi will stay in trailer bunks with temperamental temperature control and 1-foot-square showers. The Atlanta group will probably camp out on floor space at a local church. It's all part of the adventure!

### What will help:

We're looking for individuals, organizations, and businesses in the community to help us get there. The biggest need we have is for financial contributions, large or small. However, we can also work out arrangements for in-kind donations, sponsorship arrangements, and fundraising programs. Some examples include: food for our Saturday meetings or to bring with us, tee-shirts, printing services, work supplies, media coverage, or anything that can be used as a fundraiser, such as doughnuts. *Contributions to ASB are tax-deductible!*

Connections to others are a great help, too! If you know of a business, organization, or church who might like to hear about ASB or who might be able to lend us a hand, please let us know!

Tax-deductible contributions may be sent to the Center for Public Service and Community Engagement, Tiley Hall 134A, Indiana State University, Terre Haute, IN 47809, with checks payable to the ISU Foundation. You may also contact Marni Loyd at 237-2335 to make other payment arrangements. To learn more about ASB, please see our website <http://www.indstate.edu/publicservice/students/asb.htm>.

To receive a receipt for your donation, which can be used for tax purposes:
