

We have a new method which should streamline keeping our auction email list up to date. If you receive this email and wish to continue to receive notices of upcoming auctions you must do the following:

Send an email to: [listproc@lists.indstate.edu](mailto:listproc@lists.indstate.edu)

(NOTE- the line above is to L I S T P R O C @ L I S T S . indstate.edu)

In the BODY of your email you must put "subscribe auctionmail" (must be in the body-subject line only will NOT work).

Do not put any additional instructions or requests in the body of your message, this is an automated process. You will receive a confirmation that you are subscribed.

If you wish to discontinue your emails at some point in the future, you send an email to the above address and "unsubscribe auctionmail" must be in the body. You are receiving this email if you are currently on our email list or have recently sent a request to be added to our email list. Please note- you MUST sign up to continue to receive email notices. Our present list will be discontinued prior to our next auction announcement.

Thank you for your interest in Indiana State University's auctions. We hope this will be a method which will let you easily subscribe to this service.
