Furthermore, I recognize that every club sport activity has a certain degree of risk, and I knowingly and voluntarily assume the risk of any injuries, regardless of severity, including death, and all risk of damage to or loss of property which I may incur, even if arising from the negligence of the University, while I am participating in a clubs sport activity.

I certify that to my knowledge there is no medical reason why I cannot safely participate in club sport activities and I agree to abide by all University policies and applicable University regulations regarding my participation in a club sport activity.
