INDIANA STATE UNIVERSITY  
RULES and REGULATIONS GOVERNING  
INCENTIVE SCHOLARSHIPS  
2013 – 2014

1. Incentive Scholarships are offered to an unlimited number of first-year students who have demonstrated superior academic performance in high school.
2. The Incentive Scholarship is good for up to eight consecutive semesters of on-campus undergraduate instruction, or the point at which a student earns his/her first undergraduate degree. To retain this scholarship, the student must:
  - A. enroll as a full-time student each semester (minimum of 12 credits) and successfully complete a minimum of 30 credit hours each academic year. This will enable the student to successfully progress toward graduation within four years.
  - B. maintain a minimum cumulative grade point average of 2.50 as measured at the end of each academic year for the duration of eligibility.
3. The Incentive Scholarship is good for a total of eight consecutive semesters of enrollment\*, or the point at which a student earns his/her first undergraduate degree.

\*Enrolling in a summer term will count as one of the eight semesters of eligibility. Summer study requires prior approval from the University Scholarship Office.
4. A student who withdraws or discontinues enrollment for one or more semesters may request renewal for a future semester by writing to the University Scholarship Office **before** withdrawing. The petition form is available at [www.indstate.edu/scholarships/petition.htm](http://www.indstate.edu/scholarships/petition.htm). The request should state the student's name (including any changes), student identification number, reason(s) for withdrawal, and the semester he/she is planning to re-enroll. Students who withdraw or discontinue full-time yearly enrollment without filing a written request and getting approval for the reinstatement of the scholarship will forfeit their award. Once the scholarship is lost, it cannot be reinstated.
5. Semesters in which a student enrolls are charged against the offer regardless of completion of classes, incomplete grades or no grades.
6. If at any point during your undergraduate enrollment at Indiana State University your residency classification changes, you may no longer be eligible to receive the Incentive Scholarship. This will be effective from the point at which a new residency is granted to the student, including any retroactive decisions.
