

Online Career Services

All resources can be found at www.indstate.edu/career-center.

 **handshake** This online service allows students to set appointments with career coaches and sign up for workshops and events. Additionally, you are able to search and apply for internships and jobs posted specifically for ISU students. Students are able to log into Handshake from their MyISU portal or the Handshake app.

 **Focus 2** Focus 2 Career is an online exploration tool that allows you to assess your career-relevant personal qualities and explore career fields and academic majors that are compatible with your assessment results. Go to www.indstate.edu/career-center/focus2 and use “Sycamores” as your access code. We recommend you make an appointment with a Career Coach to discuss your results.

 **biginterview** Big Interview is an online virtual interview tool that allows you to practice a variety of interview questions by recording yourself and watching it back. It also provides many instructional videos to watch. Go to <http://indstate.biginterview.com>, create your free account with your ISU email, and get started with the tutorials or jump right into practicing some questions.

 **PARKER DEWEY** Parker Dewey offers the largest database of short-term, paid, professional assignments. While executing these Micro-Internships, you can demonstrate your skills, explore different career paths, and build your professional portfolio and network. Many of these Micro-Internships are remote so you can work from your own computer. Create your account as a Career Launcher at www.parkerdewey.com.

 **CandidCareer.com** Candid Career provides thousands of informational videos for individuals in all stages of career exploration and planning. **Explore Careers** videos highlight individuals based on their industries, career title, or college major, while **Get Hired** videos provide helpful information on professional dress, job and internship searches, interviewing, & more!

Ten Thousand Coffees is an alumni mentoring networking platform that connects students with an alumni in their field or a related field. ISU Alums have valuable professional and life experiences to share with students seeking advice, tips, mentoring, or networking opportunities. Create your student account today at <https://indstate.tenthousandcoffees.com/login>.

What Can I Do With This Major? helps connect academic majors to careers. This site provides information to those exploring multiple majors or searching for information about their chosen field. Each major has information about the industries and employers that often hire students with these majors and how to get started in a particular field.

Ascend Indiana is a nonprofit helping to connect students to jobs & internships in Indiana. They work with students of ALL MAJORS and have hundreds of partnerships with employers across the state. While they use an online platform like other job sites, they also connect you with a career advocate, make personalized employment recommendations, and help to elevate your application for internships, part-time, or early-in-career full-time jobs. To get started, visit <https://ascendindiana.com> to get a meeting scheduled and gain access to the Ascend Network.
