**RULES and REGULATIONS GOVERNING
TRANSFER INCENTIVE SCHOLARSHIP
2024 – 2025**

1. Transfer Incentive Scholarships are offered to an unlimited number of transfer students who have earned a cumulative 3.0 GPA in their college coursework. This scholarship is valued at \$5,000 per year. To retain this scholarship, the student must:
 - A. Enroll as a full-time student each semester (minimum of 12 credits).
 - B. Maintain academic good standing as measured at the end of each academic year for the duration of eligibility.
2. The Transfer Incentive Scholarship is good for up to four consecutive semesters of enrollment*, or the point at which a student earns his/her first undergraduate degree, whichever comes first.

* Enrolling in a summer term will count as one of the four semesters of eligibility. Summer study requires prior approval from the University Scholarship Office.
3. A student who withdraws or discontinues enrollment for one or more semesters may request renewal for a future semester by writing to the University Scholarship Office before withdrawing. The appeal form is available at indstate.edu/thebranch, and can be best found by searching “Scholarship Appeal Form.” The appeal should include the reason(s) for withdrawal and the semester he/she is planning to re-enroll. Students who withdraw or discontinue full-time yearly enrollment without submitting a written appeal and getting approval for the reinstatement of the scholarship will forfeit their award. Once the scholarship is lost, it cannot be reinstated.
4. Semesters in which a student enrolls are charged against the offer regardless of completion of classes, incomplete grades or no grades.
5. If at any point during your undergraduate enrollment at Indiana State University your residency status changes, you may no longer be eligible to receive the Transfer Incentive Scholarship. This will be effective from the point at which the residency change is granted to the student, including any retroactive decisions.
