

Math Placement Guidelines

All new students are encouraged to take the Math Placement prior to attending State Start Up. The Math Placement is offered online at www.indstate.edu/testing/mathplacement.html It is a service provided by the company Mobius and is free for students (both new and current).

Academic Advisors should always take into consideration standardized test scores (SAT/ACT) along with the Math Placement Exam

Placement Test Score	Math Course Placement
0-11	035
12-20	102, 105, 112, 115, 116, or 241
21-30	122, 123, 129, or 131

Math Placement Scores can be found on:

- MySAM : Test scores are available on students' MySAM in the "Worksheet" tab, toward the bottom in the "Test Scores" section. The scores are coded "Maple Part A" (score for Part A), "Maple Part B" (score for Part B which is only accessible if a student scores a 12 or above on Part A), and "Maple TA" which is the total score and is used to determine the appropriate math class.
- DARS: They will also appear on a student's DARS, toward the bottom and coded MTA (for Maple TA total score), MTAA (score for Part A), and MTAB (score for Part B, which is only accessible if a student scores a 12 or above on Part A).
- Banner: Scores are automatically synced to Banner in SOATEST

Retaking the Math Placement Test: Beginning March 3rd, 2014, students who have received permission to retake the Math Placement Test from their Academic Advisor, will take the test in the University Testing Center (Welcome Center). Academic Advisors should email testing@indstate.edu with the student's name, student ID#, and their permission for the retake. In addition, they should copy the student who has received permission on this same email and instruct them to contact University Testing by calling x9634 or emailing testing@indstate.edu to schedule their retake. Walk-ins will not be allowed.

Please see the catalog for other math pre-requisites.

If you have any questions or concerns regarding the Math Placement Test or scores recorded, please email University Testing at testing@indstate.edu, or call (812)237-9634. If you have questions regarding the student's curriculum, please refer to Indiana State University's Foundational Studies web site: www.indstate.edu/fs.
