

Transfer Students

Best Practices and Protocols

Robin Banks
Transfer Specialist, College of Arts & Sciences

TOPICS

- How transcripts are processed
- How articulations are made
- Foundational Studies codes
- Applying exceptions
- STGEC and TSAP
- The degree waivers
- Final transcript issues
- Advising issues
- College contacts

HOW TRANSCRIPTS ARE PROCESSED

- Transcripts are sent to Admissions
- Admissions Data Processing will key in courses
- Admissions sends keyed in data to ORR
- ORR runs an automated process to fill in courses currently in our articulation table
- Courses not currently in our articulation table are given an elective code by ORR (Ex. ARTS001/ARTH002)
- ORR sends a spreadsheet of names of newly processed credit to campus stakeholders
- If a student changes Colleges, the intake College can re-evaluate the transfer credit.

HOW ARTICULATIONS ARE MADE

- Articulation Table: A master list of courses updated by ORR and used to automatically fulfill degree requirements. Ex. Ivy Tech ENGL112 = ISU ENG105
- Campus stakeholders work each day to review course descriptions and syllabi to update articulations
- Process varies from College to College
- When an articulation is updated, it applies to that student *and each student after transferring the same course.*
- Core Transfer Library – statewide transfer articulations

THE CODES

- Elective courses end in either 001 or 002

001 = 100/200

002 = 300/400

- Some courses have a unique code that applies to specific Foundational Studies categories

01X = 100/200

03X = 300/400

Foundational Studies Codes

- **011 Lab Science**
- **012 Social and Behavioral Science**
- **013 Literary Studies**
- **014 Fine and Performing Arts**
- **015 History**
- **017 Global Perspectives**
- **018 Quantitative Literacy**
- **019 Ethics and Social Responsibility**

APPLYING EXCEPTIONS

- MySAM exceptions are a way to manually override the system and complete or adjust degree requirements that don't automatically happen.
- Colleges typically have domain over the students in their majors when it comes to making MySAM exceptions.
- For Foundational Studies, Dean Maule would need to be consulted for exceptions.

STGEC AND TSAP

- Statewide Transfer General Education Core – a block of 30 transferrable hours in the student's Foundational Studies category
- Transfer Single Articulation Pathway – allows a student who completes an associate degree in a particular area to transfer that block of work, without alteration, to a related degree at the four-year institution

TSAP

- Business Administration
- Computer Science
- Criminal Justice
- Early Childhood Education
- Elementary Education
- Secondary Education
- Special Education
- Electrical Engineering Technology
- Information Technology and Informatics
- Mechanical Engineering
- Mechanical Engineering Technology
- Nursing
- Social Work

DEGREE WAIVERS

Depending on the degree or core earned, students can get a waiver of some Foundational Studies courses. Below are the degrees and core and a list of what students **need to complete**.

FINAL TRANSCRIPT ISSUES

- “Where is my associate’s degree?”
“Why aren’t my spring/fall/summer semester classes showing up on my MySAM?”
“Why can’t I register? I’m getting a transcript error message”
→ Student likely needs to submit an updated transcript to Admissions.
- “Why didn’t I get credit for my _____ class?”
→ Student maybe earned a C- or lower. Transfer credit must be grade C or above.
→ Transferred developmental math courses should check off pre-requisites but not always.

ADVISING ISSUES

- Transfer students aren't always as self-reliant as we assume.
- Encourage 300/400 level courses
- Encourage students to submit high school transcripts and AP scores

WELCOME TO TRANSFER CENTRAL

Indiana State University

Transfer your credit to more than 100 [on-campus majors](#) or 17 [online programs](#).

The University accepts credit from regionally accredited college and universities within the United States, and from selected schools located outside the United States. Credit also may be granted for [military](#) training and experience.

In addition, transfer agreements with Ivy Tech Community College, Vincennes University, Community College of the Air Force, George Brown College, and selected Illinois colleges ensure maximum transfer of associate degree credit to ISU bachelor degrees.

Browse our site for details on admission, credit transfer, financial aid, scholarships, and orientation for entering transfer students, including U.S. citizens and internationals. For a **FREE** online transfer evaluation, please contact our [Office of Admissions](#).

For assistance, contact our office via telephone or online. Walk-in visits are also welcomed.
