

Graduate Student Association (GSA) Professional Development Award

Up to \$100 will be awarded to one Masters and one Doctoral Student for:

Registration fees/travel expenses to attend a professional development activity (e.g., conference) related to the student's graduate education or educational specialization

Registration fees/travel expenses to a conference, workshop or seminar, which will provide special knowledge or skills for graduate education or professional development.

Deadline

The receipt deadline for all applications is **the second Monday of January**. The executive board will meet to review the review applications and decision will be announced at the January GSA meeting.

Eligibility

Any currently enrolled graduate student who is working toward a graduate degree may apply. Applicants must have at least a 3.0 grade point average.

Application Submission

To apply applicants must submit the following Application Materials in hard copy:

1. Completed Application form
2. Itemized Budget including travel expenses and conference fees
3. 300-500 word essay describing educational benefit of the professional development experience

Send your completed application materials to:
