Notes from the Director

On behalf of the Public Safety Department, I am happy to welcome you to Indiana State University. Whether you are coming to Indiana State University

as a student, faculty, staff, or a visitor, I believe you will find Indiana State University to be an outstanding place to learn, work, live, or visit. As with any other university, however, it is a sad fact that crimes do occur on our campus. The purpose of this brochure is to provide you with information regarding crimes that have occurred on our campus as well as information on such topics as crime prevention programs, crime reporting procedures, policies regarding alcohol and drug use, and what to do if you are the victim of a crime.

The brochure also contains information about our Public Safety Department including its authority and responsibilities on campus as well as other useful topics.

This publication is provided in recognition of the fact that ISU's Department of Public Safety shares in the educational mission of this institution. As such, we have a responsibility to provide our campus community with as much information as possible in order to help them avoid becoming crime victims and ensure that time spent at ISU will be fulfilling, successful, and safe.

If you have additional questions regarding campus safety or our Public Safety Department please feel free to contact me either by telephone at (812) 237-7829 or by e-mail at wmercier@isugw.indstate.edu

Crime Log

A crime log is published Monday through Friday and is available for viewing at the Public Safety department. The log includes the nature, date, time, general location, and disposition of each crime. All log entries, except where disclosure of such information is prohibited by law or such disclosure would jeopardize the confidentiality of the victim, will be open to public inspection within two business days of the initial report being made to the department or to a campus security authority. Any new information obtained is added to the log no later than two business days after the information becomes available, unless there is clear and convincing evidence that the release of such information would: 1) jeopardize an ongoing criminal investigation or the safety of an individual; 2) cause a suspect to flee or to evade detection; 3) result in the destruction of evidence.

RECENT GRADUATES OF INDIANA LAW ENFORCEMENT ACADEMY

In the past year, ISU Public Safety has graduated six new police officers from the Law Enforcement Academy in Plainfield.

Officer Mark Crown is a 2001 graduate of Indiana State University with a bachelor's degree in Psychology and he is currently finishing his master's degree in the same. He has been an Instructor for the Vigo County Jr. Police Academy and is the Adopt-A-Hall Officer for Cromwell and Blumberg Residence Halls. Before coming to the ISU Police Department Officer Crown worked for over three years at Hamilton Center of Terre Haute as a Child and Adolescent Case Manager. The majority of his time was spent working with young people in schools and in drug and alcohol addiction treatment.

Officer Ian Loomis comes to ISUPD after serving two years at the Vigo county Sheriff's Department. He was raised in Valparaiso, IN and come to Terre Haute and ISU for college. He holds a Criminology/Psychology degree. In addition to being a patrolman, Ian works at the Sugar Creek Fire Department as a Firefighter/EMT. He enjoys spending time with his wife Jori, their newborn daughter Eleanor, and their two dogs Bear and Storm.

Officer Meredith Ditz is a 2000 graduate of ISU with a bachelor of science degree. She comes to ISUPD after holding fulltime staff positions with the University at Hulman Center and Facilities Management.

Officer Tamara Watts is currently studying Criminology here at ISU and is anticipating graduating in the Summer of 2007. She started working for ISU Public Safety as a Community Service Officer in 2005 and after a successful job, applied for a police officer position.

Officer Devon Huebner is currently studying Criminology and is anticipating graduating in the Spring of 2007. He is from Terre Haute, IN.

Officer Michael Eldred is a 1990 graduate of ISU with a bachelor of science degree in Social Science Education. He held an Indiana Teacher License for grades 5-12 in U.S. History/World History and Sociology. Before coming to ISU, he served as a detention officer at the Vigo County Juvenile Justice Center from 1990-2006.

NEW CRIME PREVENTION OFFICER

Officer Melvin Blakely has been named the new Crime Prevention Officer. Blakely graduated from the Indiana Law Enforcement Academy in 1996. He has over ten years experience in law enforcement. He previously worked for the Kokomo Police Department before returning to ISUPD. Blakely is involved with several student organizations and is also a member of the department's Bike Patrol team.

After 35 years as a Police Officer ISU Public Safety Captain Russell Floyd is Retiring!

A familiar face on campus will be retiring on October 30, 2006, Captain Russell Floyd, "Rusty" to his friends. Captain Floyd has been with Public Safety since March, 1971. He didn't always want to be a police officer, he was laid off from his construction job and the unemployment office sent him to ISU to apply. Before that, he owned a grocery store here in Terre Haute.

He completed the academy in 1971, was promoted to Sergeant in 1976, Lieutenant in 1986, and Captain in 1988. He spent five years on the street as an officer, twenty years in Investigations, nine of it as Head of Investigations, and the last ten years over the Communications division, Special Events, and the CSO program. He was instrumental in developing the CSO program, which is celebrating its 10th year in 2006. He has been in charge of security for ISU athletics since 1987. He was an ISU Medallion Winner in 1998.

He has served under four ISU Presidents, five Chiefs of Police, 149 officers (whose names he still has on file), and has moved with the Department into four locations on campus.

He was asked to tell his funniest story on campus; his answer, "I can't say, just people doing crazy things and the police humor that goes with it." Captain Floyd has seen everything from murder and shootings to the everyday lost and found item. "I think people do not realize that campus is a little city within a bigger city and we have our own crime."

Rusty plans on doing anything he wants when he retires, but on the top of his list is spending time with his daughter and son, traveling, volunteering with Boy Scouts, fishing, backpacking, and attending many Cardinal baseball games.

"It is just time, the University has been good to me, it provided my wife and children a college education and I am grateful for my time here" Captain Floyd stated when asked why he is retiring now.

The Department of Public Safety and ISU will miss Captain Floyd and all that he has brought to his job. He is truly a professional in all areas and has represented ISU well. He is ISU at its best!

CRIME PREVENTION SERVICES and PROGRAMS

ADOPT-A-HALL

The Adopt-A-Hall program was initiated at ISU during the fall semester of 2001. Participating officers and communications officers select residence halls and work closely with Residential Life staff within the selected residence halls. The educational and crime prevention needs of each residence hall are assessed and programming is specifically designed and implemented to address these needs. On a weekly basis, participating officers patrol their respective residence halls and spend time with the staff and residents of these halls; as a result, residents are more likely to approach participating officers to report concerns, crimes, and issues. The crime prevention officer is available to provide programming in residence halls that do not have an Adopt-A-Hall assignment. For more information or to request programming, please call (812)-237-8285.

RAD

A 12 hour certification self defense course for women.
More information is available by calling (812)-237-5555.

SAFEscort

A service in which members of the Indiana State University community may receive a safety escort (24 hours a day) by a Public Safety employee. To request this service, call (812) 237-5555.

CPTED

A service in which a selected area or building is surveyed and evaluated for security risks. Recommendations and suggestions are made for the improvement of the assessed area. More information is available by calling (812) 237-8285.

BATTERY JUMPS/VEHICLE LOCKOUTS

The Public Safety department offers a vehicle lock-out service and battery jumps for motorists on campus. There is no charge for these services but individuals requesting these services must sign a release form. To request one of these services, call (812) 237-5555.

BICYCLE REGISTRATION

A service in which members of the Indiana State University community can document important bicycle information regarding their bicycles with the Public Safety Department. More information is available by calling (812) 237-8285.

SAFETY IN THE RESIDENCE HALLS

Alcohol and Drug Policies and Educational Programs

Indiana State University policy prohibits the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances or alcohol in any part of the University or at any University activity. Legal use of alcohol may be permitted on campus **only if approved by the University president or his/her designee**. All state and federal laws regarding alcohol and drugs are strictly enforced. Indiana State University complies with all provisions of the *Federal Drug-Free Work Place Act* requirements. Additional information is located in the *University Standards* publication or by contacting David Wright, assistant to the Vice-President of Student Affairs, (812) 237-3888. The University offers a number of educational programs and resources regarding alcohol and drugs. These programs include presentations, information, and literature promoting responsible decision-making concerning the use of alcohol and drugs and are available on a continuing basis through the Public Safety department, as well as the following departments: Student Health Promotion, Residential Life, and Employee Assistance Program.

Campus Facilities: Access, Security, and Maintenance

Access to campus buildings and grounds is a privilege extended to students, faculty, staff, and guests. The University encourages an open environment with limitations to assure adequate protection of all members of the University community. Except for residence halls, most campus facilities are normally open when classes are in session or by special arrangements with the building coordinator. A few University facilities are available to the general community. Building hours are monitored and buildings are secured at the end of the regular academic day.

During non-operational hours, University buildings are locked. Only faculty, staff, and students with proper authorization and identification are permitted into buildings.

The Facilities Management department provides maintenance of campus buildings and grounds, continually upgrades security systems, and incorporates modern security techniques when remodeling and designing new facilities.

Unsafe facility conditions or those that raise concerns for personal safety and property protection, including inoperative locking hardware, exterior lighting, steps, handrails, unsecured equipment, and hazardous conditions, should be reported by calling (812) 237-8100. During non-operational hours, report safety hazards to the Public Safety department at (812) 237-5555.

Residential Life continually evaluates security procedures for the residence halls and implements many preventive measures. Outside doors are locked at 12:00 p.m. key floor stairwell access and key floor elevators are open 24/7. For additional information about residence hall security, contact Residential Life (812) 237-3993.

Comprehensive Approach

Safety is a community issue. All members of the University community must take an active role in their safety and the safety of others. One way to achieve this is to participate in the many programs offered throughout campus. Resources for the University community in the areas of crime prevention and personal safety education are available from a variety of sources. For more information, contact any of the following departments:

⇒ Diversity and Affirmative Action	237-3230
⇒ Human Resources	237-4114
⇒ Public Safety	237-5555
⇒ Residential Life	237-3993
⇒ Student Counseling Center	237-2929
⇒ Student Health Promotion	237-3933
⇒ Student Life Programs	237-3860

Sexual Assault

Policy

Indiana State University is committed to maintaining an environment free from all exploitation and intimidation based on sex. The University will not tolerate sexual assault or sexual harassment in any form. Indiana State University pursues a variety of initiatives designed to combat incidents of rape, sexual assault, or other forms of non-consensual sexual activity. Non-consensual sexual activity shall include, but not be limited to, situations in which the victim is unable to consent because he or she is physically helpless, mentally incapacitated due to drug or alcohol consumption, or unconscious, regardless of whether the consumption was with the victim's consent.

Prevention and Awareness

A variety of University offices provide educational programming and information designed to increase awareness and prevention of sexual offenses.

- ⇒ Women's Resource Center (812) 237-4333
- ⇒ Student Health Promotion (812) 237-3939
- ⇒ Student Activities and Organizations (812) 237-3852
- ⇒ Family and Consumer Sciences (812) 237-3297
- ⇒ Student Counseling Center (812) 237-3939

If You or a Friend Are the Victim of a Sexual Assault

1. Get to a safe place and contact the Public Safety Department immediately at 911 from an on-campus phone or (812) 237-5555 from a cell phone. If the assault occurred off-campus, call 911 immediately or contact the following appropriate law enforcement agency:

- ⇒ Indiana State Police (812) 299-1151
- ⇒ Terre Haute Police Department (812) 238-1661
- ⇒ Vigo County Sheriff's Department (812) 462-3226

Upon reporting the incident, the Public Safety Department or appropriate law enforcement agency can assist the victim in attaining medical and counseling services. Although reporting to the appropriate law enforcement agency is recommended, victims may also confidentially report sexual assaults to the Student Counseling Center (812) 237-3939 or seek assistance from other members of the University community.

- 2. Preserve physical evidence, such as clothing, sheets, and alcoholic beverages (for date rape drug testing). Do not bathe or shower.
- 3. Seek medical attention. For evidence collection purposes and for emergency contraception seek medical attention within 72 hours of the assault. During normal hours of operation, the Student Health Center, (812) 237-3883, provides medical assistance, emergency contraception, HIV testing, treatment for STDs, and can perform sexual assault evidence collection for prosecution purposes. The Student Health Center can also assist victims in applying for victim's compensation to cover the costs of treatment and counseling. These services are also available by going to an emergency room of a local hospital or to your local physician. Terre Haute area hospitals are:

- ⇒ Union Hospital ER 1606 North 7th Street, Terre Haute, IN 47802 (812) 238-7523

4. Contact counseling services and/or victims assistance agencies:

- ⇒ Student Counseling Center (812) 237-3939
- ⇒ Vigo County Victim's Assistance Program (812) 462-3319
- ⇒ Lifeline (812) 235-8333
- ⇒ Hamilton Center (812) 231-8323
- ⇒ Family Service Association (812) 232-4349
- ⇒ INCASA 1-800-691-CASA (2272)

5. Victims of alleged sexual assault may seek to have their academic and living situations changed if such changes are reasonably available. Class schedule changes may be requested by contacting Student Affairs, Parsons Hall room 203 or (812) 237-3888. Living arrangement changes may be requested by contacting Residential Life, Mills Hall lower level or (812) 237-3993

Whatever avenue the victim decides to follow for filing a complaint, it is important to follow these steps in order to ensure the possibility of criminal prosecution and/or University student judicial finding.

On Campus Disciplinary Proceedings

Student Judicial Programs handles all on campus disciplinary proceedings for sexual assault complaints. Both the complainant and the accused student in any non-consensual sexual activity case are entitled to the following rights:

- To be assisted by a procedural advisor during a disciplinary hearing and
- To be informed of the outcome of any disciplinary proceeding conducted within the Student Judicial System

For more information concerning these procedures, contact Student Judicial Programs, Hulman Memorial Student Union room 821 or (812) 237-3800. Also, refer to the *University Standards* publication.

Sanctions for violations of University policies regarding sexual assault may include:

- Relocation or loss of campus housing privileges
- Reassignment of academic courses to avoid contact with the complainant and
- Status sanction, including disciplinary probation, suspension, or expulsion

Sex Offender Directory

Indiana State law requires that all convicted sex offenders register with the county Sheriff in their county of residence. Indiana State University Public Safety department maintains a link to the Indiana State Sex Offender Registry on the Public Safety web site. A list of registered sex offenders in Indiana is also available at https://secure.in.gov/serv/cji_sor

Sexual Harassment

Policy

Indiana State University is committed to creating and maintaining a positive learning and working environment for its students and employees and will not tolerate sexual harassment. ISU is committed to preventing sexual harassment and to promptly addressing any violations of this policy.

Sexual harassment is prohibited because it is demeaning and degrading and a form of prohibited discrimination on the basis of sex. It is an affront to an individual's dignity, sense of self, and self-esteem. As such it can have a negative impact on performance at work or in an academic setting. Sexually harassing behaviors are prohibited by the University and will not be tolerated.

Sexual harassment is illegal as a violation of several state and federal laws including Title VII of the Civil Rights Act of 1964, and Title IX of the Education Amendments of 1972. As a recipient of federal funds, ISU must comply with these federal statutes. Sexual harassment is also prohibited in the Equal Opportunity and Affirmative Action Policy adopted by the ISU Board of Trustees, effected in 1981 and confirmed in 1993 and 2003.

This policy applies to all persons at the University or attending University sponsored classes, events, and programs. Visitors to the campus and workers employed by private firms engaged in business on the campus are expected to comply with this policy. The Office of Diversity and Affirmative Action is charged with distributing this policy to the University community and providing educational opportunities appropriate to faculty, staff, and students.
