

Searching for Jobs and Internships for Technology Students

Jobs and Internships Specific to Technology Majors

Step 1: Go to <http://technology.indstate.edu>

Step 2: Click on **Careers** tab (or **Internships & Jobs** tab)

LOOK AT BOTH

Step 3: Find and Click on **Listings for Technology Majors**

This is a list that Technology Career Advocates have found for you. Please browse through them and you may find one that fits you. Please note how to apply for the job/internship.

Step 4: Next find and Click **Companies with Internships and Job Opportunities for Technology Majors**

Here you will find a listing of a variety of different companies that have hired from ISU before. We have provided their career page for you to browse to find a job or internship that fits your needs.

Step 5: Click on a company you would like to search a job or internship for.

Jobs and Internships Databases Available to All ISU Majors

Step 1: Go to www.indstate.edu/carcen

Step 2: In the lower right hand corner click on [Sycamore Career Link](#)

Step 3: Log In

Username: Sycamore login username

Password: Sycamore login password

Step 4: Go to the **Job Search** dropdown tabs. If you are looking for a job click on Job Search; if you are looking for an internship, click on Internship Search. Internships and jobs are not included within the same database.

Step 5: Click on **Advanced Search**

Step 6: Fill out the appropriate boxes: [Job ID](#), [Organization Name](#), [Job Category](#), [ETC...](#) You can search on one field or several to refine your search.

Step 7: Click **Search**

Jobs or internships that meet you're the criteria you filled out should show up below the search bar. If you do not get any results, try different search criteria.

Note: there are several tabs located toward the center of the Job Search pages that include search engines from different sources. Be sure to give them a try by clicking on the tabs and entering your search criteria. These include [Internships.com](#), [CareerRookie.com](#), [CareerBuilder.com](#), and [Indeed Jobs.com](#).

If you haven't already done so post your RESUME on Sycamore Career Link. You will need your resume on Sycamore Career Link before you search for jobs and internships.
