

8/11/09

How to Register Online

(undergrad only)

To Register Online

Go to <https://isuportal.indstate.edu/>

Type in your Sycamore Login and password

Click on the **Student** tab at the top of the web page

Click on **Add/Drop** link

Select term (is usually defaulted to current term)

Type in your advisement pin number (if prompted for one). Unless it is your first semester at ISU, Juniors and seniors in good academic standing and graduate students no longer need an advisement pin number to register.

You will need to have the course request number (CRN) available for each course that you wish to register for.

After you have typed in all of the CRN's for the courses you wish to take, go to the bottom of the page and hit **Submit**

Your schedule of classes should come up.
