*Featuring*

## **Jack North, CLU, ChFC**

**Former Senior Executive Vice-President at State Farm Companies**

Jack North had a long career with State Farm and was one of five members of the Office of the Chairman. His successful career led him to start his own business to help companies develop the kind of leadership environment that he fostered on the job for over 25 years. Including his time at State Farm, he has spent nearly 40 successful years in the people business as an executive, teacher and coach. North earned both his bachelor's and master's degrees in education from Indiana University of Pennsylvania and Slippery Rock State University, respectively. North's presentation will focus on current leadership trends and topics, such as:

-  Empowering front-line leaders
-  Enabling followers to fully collaborate
-  Leading as well as managing
-  Applying top-notch leadership at the front line
-  Setting an example of leadership
