[Prerequisite] [Pre- or Co-requisite]

¹Specific requirements are determined by proficiencies met upon entering. You may need one semester of English (107) or two (101 & 105). One basic skills course is built into the schedule, but you may need more. Additional courses reduce the number of "Option" courses later in the curriculum. One Foundational Studies UDIE course may be replaced by completion of a minor or second major.

² PHYS 310 and 341 are offered on an alternating basis in spring semesters.

³ PHYS 321 & 322, 315 & 316, and 497 are offered every other year. PHYS 321 & 322 alternate with 315 & 316. PHYS 316 and 497 are offered in the same spring semester.
