

# STUDENT EMPLOYMENT OPPORTUNITIES

Department of Chemistry and Physics

Indiana State University

The Department of Chemistry and Physics has multiple student employment opportunities for the **Spring 2024** semester.

**Available Positions:** Teaching Assistant (TA), Laboratory Assistant (LA), Science Help Center Tutor.

**Job Term:** One academic semester.

**Qualifications:** Positions are open to all ISU undergraduate students with preference to chemistry majors, chemistry minors, and students with prior experience. Minimum qualifications include successful completion of the chemistry course or an equivalent course appropriate to your assignment and satisfactory progress towards your degree.

**Salary:** \$9.00–\$11.50/hr depending on experience and position.

**Application Procedure:** Additional information regarding available positions, application forms and application procedures can be found at the following URL:

**[http://www.indstate.edu/cas/chem\\_phys/student-employment-opportunities](http://www.indstate.edu/cas/chem_phys/student-employment-opportunities)**

Initial review of applications will begin **Friday, December 1**. Positions will be assigned on a first-come-first-served basis. The first round of applicants will be notified of their assignment via email between **Monday, December 4**, and **Friday, December 8**. After this date, applications will be accepted until all positions are filled.
