## Graduate Committee Form

All students should complete this form before the end of their second full semester (or before the completion of 18 semester hours). The committee chair needs to be identified when this form is submitted, but other committee members may be added at a later date. Return this form to the Department of History office. Students writing a thesis also need to complete the Approval of Thesis Committee form (for the College of Graduate and Professional Studies), which is available on the History Department website.
