Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Transfer credit will be evaluated on a course-by-course basis. Up to nine credit hours may be transferred for graduate credit in nonclinical core courses. To be eligible for transfer credit, the course must be judged to be comparable to the required ISU course and should have been taken within 3 years. The student should have earned a grade of A in the course and will be required to demonstrate the requisite skills associated with the course.
