4. New Business:
The state has mandated that beginning in July, all newly licensed teachers will require evidence of Suicide Prevention training in addition to the already required CPR training. A discussion followed as to how this training is to be delivered. Outside sources of the training are expensive and it is hoped that we could develop a training internally. Course based? Module? Reps are to take the discussion back to the individual departments for consideration and will discuss further at next meeting.
5. UAS Report: UAS Meets Thursday before TEC. Will be discussing:
 - a) Clinical Supervision Training including evaluation across the four areas.
 - b) Employer Surveys
 - c) Rating Scales for Dispositions
 - d) Tracking of Diverse ExperiencesIt is hoped that they will have something to present at the next TEC meeting.
6. Dean's Report: No report
7. Associate Dean's Report:
 - a) NCATE recommended full accreditation. Congratulations and good job on the visit.
 - b) One NCATE concern for the future – Diversity issue needs attention, particularly at the graduate studies level.
8. ESS Report: No report
9. Adjournment: R. Hinshaw adjourned the meeting.

Respectfully submitted by,
Larry Tinnerman, TEC sub-secretary
