1. Approval of Minutes for February 19, 2019 – C. Phelps moved/J. Frost seconded. Vote 9-0-1.
2. Discussed date to meet later this semester to address recent influx of proposals. Group agreed to schedule a meeting on the 30<sup>th</sup> of April.
3. Old Business
  - a) Dispositional Assessment & CAEP Update (L. Sperry & M. Crosby): discussed a dispositional policy for teacher education undergrad and graduate students. The plan would be in addition to existing surveys. This would be a method to track student dispositions and would allow us to gain a picture of a student's dispositions earlier in his/her educational experience. Group agreed that we would likely need to review some items as well as potential outcomes for offenses. For CAEP, there likely needs to be some consistency. Recommendation that the department be brought in at some level to promote consistency. Discussed options for us to streamline and ensure the communication process. Call for a sub-committee to go over definitions and the best policy. The sub-committee will work on the document over the summer with the goal of reviewing it in August, 2019.
4. New Business
  - a. Proposals
    - 1) Math 341-Probability and Statistics (Liz Brown) D. Thacker moved/ E. Hampton seconded to begin discussion. This would require 241 to be a prerequisite for 341. Concern about the timing of this because there are other changes proposed that might impact the total credits. Concerns seemed alleviated as this change would not appear in the 2019-2020 catalog. Vote 9-1-0.
    - 2) Math 408-High School Mathematics from an Advanced Perspective (Liz Brown): C. Phelps moved/J. Frost seconded to begin discussion. This would be changed from 3 credits to 4 credits. Vote 9-1-0.
  - a) Election of new TEC Chair for 2019-2020 – C. Phelps, E. Hampton, and D. Thacker nominated. D. Thacker does not accept the nomination. C. Phelps withdraws his nomination. C. Phelps moved/D. Thacker seconded motion to vote for E. Hampton as TEC Chair for 2019-2020 Vote 9-0-1.
