

**Doctor of Physical Therapy Program
Indiana State University**

Student Goals

1. Students will practice in an ethical and legal manner utilizing effective oral and written interdisciplinary communication skills to patients and stakeholders within the profession including those in rural and underserved areas.
2. Students will demonstrate competent entry-level patient care skills and will be able to critically reason in examination, evaluation, diagnosis, prognosis and intervention while functioning as autonomous practitioners.
3. Students will promote health and wellness in their community.
4. Students will demonstrate competence in accessing evidence based literature, appraising the literature, and implementing it to enhance practice patterns.
