

Creating Your Public Web Profile in the Faculty Directory

Pick and choose the professional information that will go up online about you! The Public Web Profile, will use the information you have already entered in FAD, and you can pick which information is shared from various categories. You can update and make the changes, and each night, the system will refresh and pull your new changes.

To create (or update) the web profile, go into your activities in FAD and click on the link for Public Web Profile.
