**Department of Kinesiology, Recreation and Sport  
Recreation Therapy Concentration Professional Development/ Volunteer Sites**

Sites with CTRS: Students may do as many hours with a CTRS as they want, although it is recommended that a single site be limited to 100 hours. You may volunteer at other sites with a CTRS during the summer or on breaks, just let your professor know about the site. There are many other sites in Indiana, Kentucky and Illinois if you want to make the arrangements. Inquire about the appropriateness of other sites with Dr. Rogers or Dr. Pommier.
