

**Time Limit for Application of Credits for Nursing Courses  
Baccalaureate Degree Program**

1. Nursing courses taken less than five (5) years ago will be evaluated for equivalence by the appropriate nursing faculty member(s).
2. Equivalent nursing courses taken five (5) or more years ago will either be validated or retaken upon the recommendation of the appropriate nursing faculty member(s).
3. The five-year time limit for application of credit for nursing courses does not apply to students who are eligible for admission to the baccalaureate track for registered nurses.
