Indiana State University
School of Nursing
DNP Program Outcomes

Domain 1: Knowledge for Nursing Practice

Integrate foundational and advanced knowledge from nursing and related disciplines to inform practice and decision-making in diverse healthcare settings.

Domain 2: Person-Centered Care

Demonstrate ethical, inclusive, and professional conduct in nursing practice, respecting the rights, autonomy, and dignity of all individuals and groups, while recognizing and addressing the social determinants of health that influence well-being.

Domain 3: Population Health

Develop and implement strategies to promote health, prevent disease, and improve the well-being of individuals, groups, families, and communities.

Domain 4: Scholarship for the Nursing Discipline

Utilize research methods, evidence-based practice, and critical appraisal skills to contribute to the development and dissemination of nursing knowledge that improves health and transforms healthcare.

Domain 5: Quality and Safety

Employ strategies to identify, evaluate, and mitigate potential risks, ensuring patient safety and minimizing adverse events in healthcare settings.

Domain 6: Interprofessional Partnerships

Engage in interprofessional partnerships and collaboration to improve patient outcomes, enhance teamwork, and optimize healthcare delivery.

Domain 7: Systems-Based Practice

Demonstrate an understanding of the healthcare system, including its organization, financing, policy, and regulation and apply systems thinking to improve patient care and healthcare delivery.

Domain 8: Informatics and Healthcare Technologies

Utilize informatics and healthcare technologies to support and enhance nursing practice, healthcare delivery, data management, and evidence-based decision-making.

Domain 9: Professionalism

Cultivate a strong professional identity, embracing the values of nursing and contributing to the advancement of the nursing profession.

Domain 10: Personal, Professional, and Leadership Development

Engage in personal and professional development activities, including leadership training, to enhance skills, knowledge, and abilities as nursing professionals.
