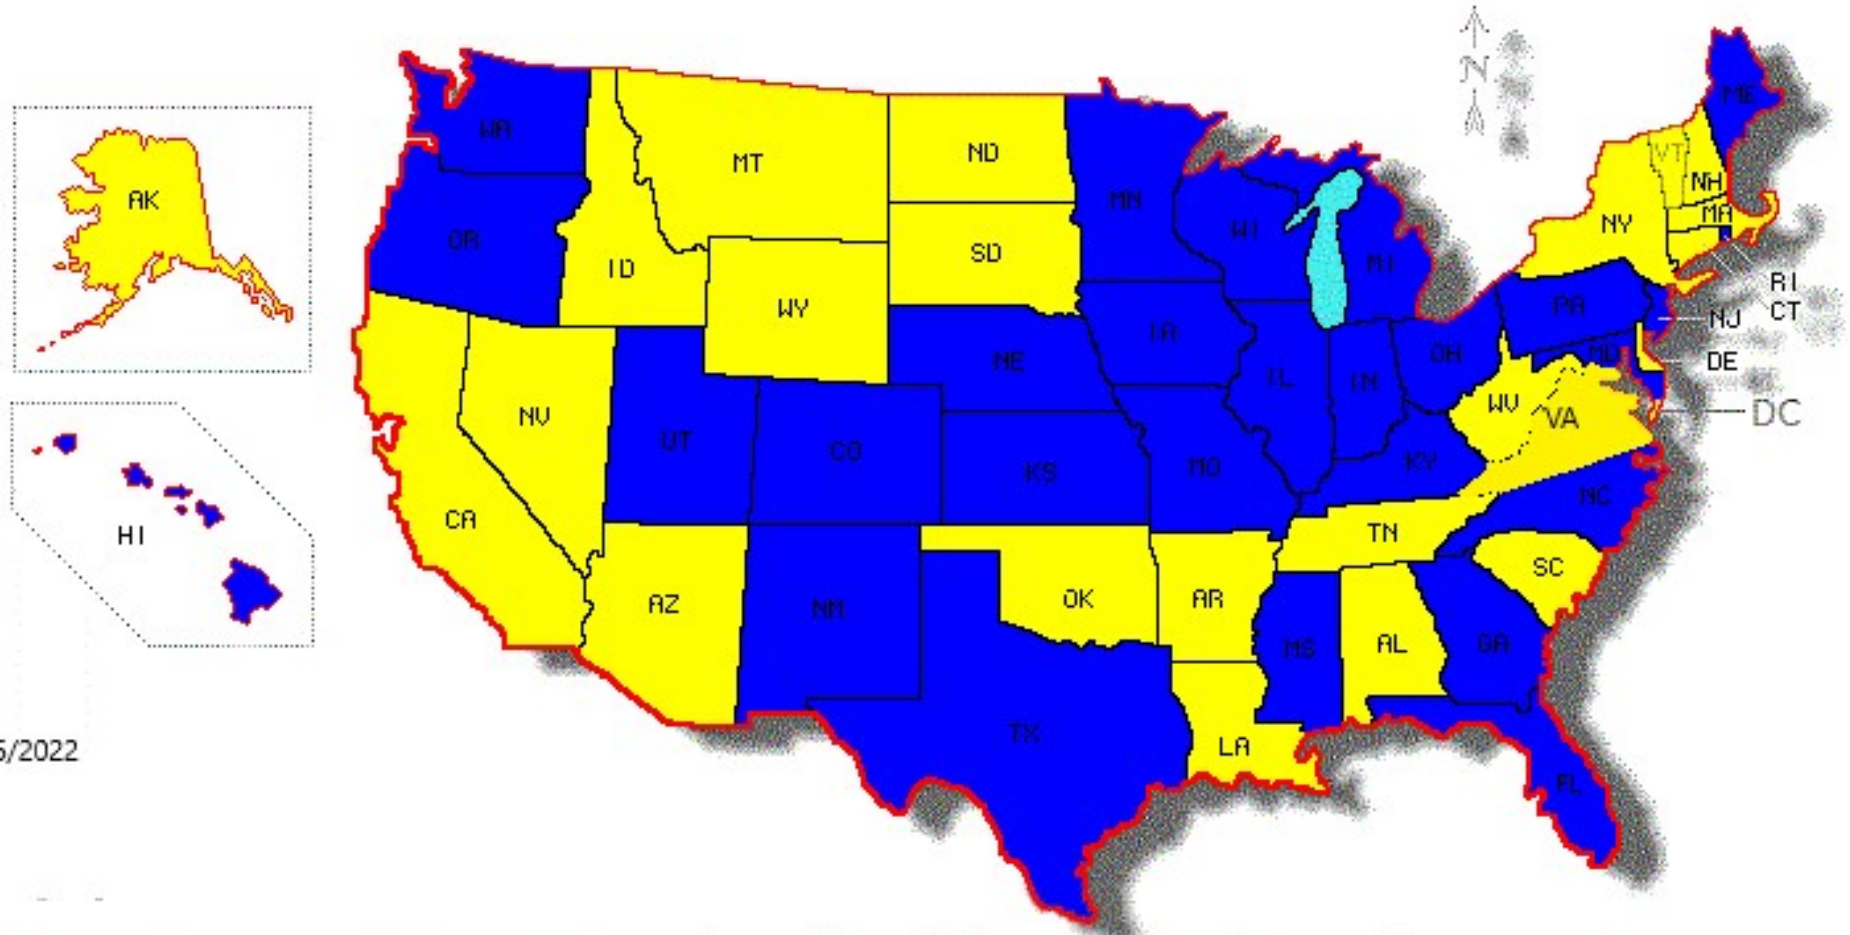
Indiana State University School of Nursing Undergraduate LPN to BSN Track

- "Yes" - Recognized
- "No"- Not Recognized

Recognized States of Physical Residence and Licensure for Admission into the LPN to BSN Track



Revised: 8/5/2022

NOTES:

Factors involved when considering states for our online LPN to BSN track including number of students, cost to the University for licensing / maintaining licensing for multiple faculty in each state, and other fiscal factors. The extensive process to have a teaching presence in particular states is not feasible. State availability is subject to change.
