

Applying to the MSN FNP or Education Program

Please check the availability of the on-line program in your [state](#).

Questions regarding the admission process or requirements should be directed to ISU's School of Nursing via [email](#).

Apply to the ISU [College of Graduate and Professional Studies](#).

Please note that there is a non-refundable fee for this application.

1. Create an account for "[First-time users](#)"
2. Select new application
3. Enter "Personal information" and "Citizenship" to ensure you can see all of the programs for which you are eligible to apply. **Skipping this section or not answering questions will disqualify you from select programs.**
4. Under "Graduate Program of Study," you will need to select the following five items:
 - a. Select "Indiana State University Online" under the campus option.
 - b. Select "Nursing" under the field of study.
 - c. Select "MSN-Nursing" and "Family Nurse Practitioner" or "Nursing Education".
 - d. Select the term for which you wish to apply.
 - e. Select Student Type for "New Graduate" or "Returning" (if previously enrolled in an ISU graduate program).
5. Complete "Academic History", "Additional Information", and "Military".
6. Under Recommendations, after you have obtained permission to use someone as a reference, enter their name and email address into your application. Send each reference the [Graduate Nursing Recommendation Form](#) (we suggest entering your name and program information before sending). References will receive an email from Indiana State Admissions with a link to upload the completed form. References only need to complete the form. A formal letter is not required.
7. Once you are finished, confirm your intention to apply with "Signature" and "Review" to submit.
8. After you submit the application, upload all of the required program materials listed below.

All students must maintain compliance with the [Student Nursing Health Policy](#) throughout the program.

3. Recommendations

- a. Three professional/academic recommendations are required with at least one academic recommendation preferred. *Family and friends are not appropriate to use for recommendations.*
- b. After you have obtained permission to use someone as a reference, enter their name and email address into your application. Send each reference the [Graduate Nursing Recommendation Form](#) (we suggest entering your name and program information before sending). References will receive an email from Indiana State Admissions with a link to upload the completed form. References only need to complete the form. A formal letter is not required.

Application Timeline

After the published deadline, **completed** applications will be shared with the Admissions Committee. Applicants are evaluated on a competitive basis. Please allow 4-6 weeks after the deadline for notification of your admission decision. *A video or in-person interview may be required.

All applicants will be notified of their admission decision via the email address provided on their application.

*****Students offered admission into the program are required to accept their seat by submitting a non-refundable \$100.00 seat fee by the deadline set by the committee.***

Evaluation Process

Advanced Practice Nursing applicants are evaluated on a competitive basis. Optimal candidate scoring is based on:

- Completed application
- Earned baccalaureate degree in nursing from an ACEN or CCNE accredited nursing program
- GPA
- Excellent, compelling, and clear goals that intersect closely with [the Master's End of Program Student Learning Outcomes](#) and are well-written with originality and creativity
- High ratings on recommendation forms
- RN experience
- Leadership roles in healthcare
- Community service involvement

*Note: Admission decisions are made by a committee of the School of Nursing faculty utilizing a scoring rubric that incorporates the aforementioned elements.
