Course: () _____ Date _____

Total credit hours: 15

Distribution:

NURS courses (16) = 61 credits

Cognates = 28 credits

FS (not already counted) = 24-33 credits

Electives = 0-7 credits

Program

Total credit hours: 120

47-50 credit hours are 300-400 level

DESCRIPTIONS:

Cognate courses (denoted by *) must be passed with a grade of C or better. A failed cognate course in the BSN program curriculum (including pre-nursing), whether taken at ISU or at another institution, may be repeated only one time. Failure of any single cognate course (each failed cognate science course and its laboratory count as one course IF failed in the same semester) for a second time will result in ineligibility for admission to the major. At least 45 semester hours must be taken at the 300-400 course level. All NURS courses must be passed with a grade of C or better. NURS 104 may be repeated only one time. Failure of NURS 104 for a second time will result in ineligibility for admission to the major.

Italicized font represents FS requirements.
