

Change of Address Procedure

For change of Address, please log on to your My ISU Portal. After you sign into MyISU portal, go to the blue tile that reads “Student Self-Service” tab. Then from there, go to the tab on the left side of the screen that says “Miscellaneous”. Under that tab you will see words in blue that say “Personal Information”. Click that and go to the drop box, select mailing, then press “submit”. After that, you should be at the screen that will allow you to change your address. You also should select any address that is not your current address as “inactive”. Finally, submit your changes. If you have any questions about this, please contact the Registrar’s Office.
