GET AHEAD: GO ONLINE WITH INDIANA STATE ONLINE

ENROLLMENT GUIDE
Welcome to Indiana State Online. Now that you have discovered our accredited online degree program, you’re ready to enhance your career. Let us walk you through what Sycamore ‘Blue’ means to us and what it can do for you.

Online learning allows students to learn at a flexible pace and schedule studying around existing life commitments. We support our online learners with a variety of services that are true Blue commitments including:

**Blue anticipates your needs.** Our Sycamore Express service provides a one-stop online resource to answer common questions.

**Blue is with you.** We offer concierge services and resources to assist and connect students with the support they need for success in the classroom. We are committed to helping you succeed.

**Blue sees the goal and helps you stay the course.** Our time management tools provide you structure to budget and manage your time.
OUR COMMITMENT is demonstrated in how we help students. We’re here to help make completing your college degree or pursuing further studies as seamless as possible. We understand. You want material that is easy to navigate, an application process that is quick to complete, and a person to talk to when you pick up the phone with questions.

We have brought our strong foundation as a brick and mortar campus to our online curriculum. No matter your area of interest, we have the program that will help you attain your goals, prepare you for that promotion, or provide you the leadership skills to enhance your current position.

WE BELIEVE in creating opportunities and building a better community. You can trust that we will put our best foot forward to help you develop into the professional you aspire to be.

The time is now. Take the next step. Attain your next milestone with Indiana State Online.

THERE’S MORE TO BLUE.
Indiana State recognized by Forbes magazine as one of America’s Top Colleges four years in a row.

Princeton Review has recognized State as among the Best in the Midwest for the 11th straight year.

More than 60 online programs to choose from.
YOUR ENROLLMENT GUIDE IN 5 EASY STEPS

1. Select a Major

Selecting the right program is a key to success. Applicants who have questions on credit transfer or admission requirements for a particular program should contact our office for assistance at 812-237-2345.

2. Verify Program Availability

Indiana State University endeavors to offer all of its programs nationally, but Indiana State online programs are not available in all states. To determine availability visit indstate.edu/online/stateinfo.

3. Admission

An individual must be admitted to Indiana State University as either a degree-seeking or non-degree seeking student and must satisfy minimum admission requirements to enroll in an online course or program. Admission requirements and application can be found at indstate.edu/admissions.

4. Financial Aid

Students are eligible for consideration for financial aid programs if they are seeking Indiana State degrees or a required teacher certification and are U.S. citizens or eligible non-citizens. Certificate programs are not eligible for financial aid. For instructions and online applications, visit indstate.edu/finaid.

5. Scholarships

The University offers a limited number of scholarships for entering transfer students. To be eligible for most scholarships, students must be admitted to Indiana State no later than April 1 for the fall semester. For additional details and to determine your eligibility, visit indstate.edu/scholarships.
THE ONLY THING MISSING FROM OUR ONLINE DEGREES? THE COMMUTE.

Interesting formats? Check. Engaging group activities? Check. Lively conversation with profs and classmates? It’s our trademark. Our online design team works with top faculty to develop online learning that connects, and stays with you.

We promise a warm welcome, a rich experience, and a strong connection with all things BLUE.
