

Non-Reappointments

Department	An appraisal letter indicating non-reappointment is sent to the faculty indicating the end date. NOTE: The End Date depends on which year they are in their review. If it is a first year faculty, their appointment ends with the current academic or fiscal year. If they are a second-year or beyond, they may stay until the end of the following academic year.
Academic Affairs	If there is no appeal or the appeal fails, a PASS Form is prepared and routed to HR.
