

ISU COLLEGE CHALLENGE

STUDENT REGISTRATION PROCESS

STEP 1:

Talk with your guidance counselor to see what College Challenge courses are available at your high school and appropriate for your schedule. Be sure to review the program admission requirements, as well as any specific course prerequisites, to determine your eligibility. College Challenge students pay a tuition rate of \$25 per credit hour for any College Challenge courses taken at the high school. Student who are eligible for free or reduced lunch can obtain a tuition waiver for the program cost.

STEP 2:

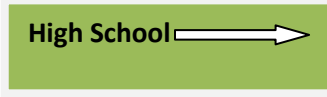

Request a College Challenge Application/Registration Form provided by your high school counselor or teacher. Be sure to read the entire application with a parent/guardian, thoroughly complete the application and be sure that it is signed by both student and parent/guardian.

STEP 3:

Return the form to your designated high school representative. The high school representative will provide your transcript, make an admission recommendation based upon your eligibility per the admission requirements, and provide free/reduced lunch verification, if appropriate.

STEP 4:

The entire packet will be sent to the ISU College Challenge Director for review. The application will be processed and an admission decision will be made based on your eligibility for the College Challenge program, as well as specific course prerequisites.

STEP 5:

If admitted, you will be registered for the course/courses identified on your application, and a bill will be generated and sent to the mailing address on your College Challenge application. If you are not admitted, you will be notified in writing by the College Challenge Director of the reason for the denial of your application.

PLEASE NOTE: *Once you are registered for your College Challenge course, you are an ISU student! There are a number of student services available to you at this point. Please see the College Challenge Student Guide for an overview of student services (including tutoring and library services).*

STEP 6:

All College Challenge tuition must be paid by the payment deadline indicated on your bill. Students who do not pay the tuition, in full, by the payment deadline will be administratively withdrawn from the College Challenge course.

STEP 7:

A final course roster will be sent to each College Challenge high school teacher once all payments are processed to confirm final enrollment.
