Fall 2021:

- Grants ranging from \$200 - \$3,000 will be distributed to students who are enrolled in degree-seeking programs. Grant amounts are based on financial need as determined by the FAFSA and gift aid received by the student for the 2021-2022 academic year. Students who do not file a FAFSA may receive a flat amount of \$200.
- Students receive an email with the link to an online request form. The form gives the student the option of authorizing ISU to apply the grant to their account balance or receive a direct payment.
 - Undergraduate students may receive \$200 - \$3,000 based on EFC range and financial need.
 - Graduate students may receive \$200 - \$1,000 based on EFC ranges and hours of enrollment.

7. The instructions, directions, or guidance provided by ISU to students concerning the Emergency Financial Aid Grants are published on the university website. Students who receive a grant are advised of the payment via university email.
