

## PAYMENT PROCEDURES

If you register for classes on or before December 14, 2021, an email notification will be sent to your ISU email address and to the email address provided by authorized users, if applicable. The email will alert you when a new bill is available for viewing in the ISU Student Account Suite at [www.indstate.edu/payisu](http://www.indstate.edu/payisu). If you register after December 14, you can access a current account summary through your MyISU Portal under the Student Self-Service badge.

The Sycamore Plan provides three payment plan options from which you may choose—the Single Payment Plan, the Monthly Payment Plan, or the Variable Payment Plan. **Should your bill not reach you, you will still be responsible for paying by the deadline dates associated with the plan of your choice.**

**The Single Payment Plan** requires full payment of academic and housing fees\* by January 11, 2022. The Variable Payment Plan Fee will be automatically assessed according to the schedule below if academic and mandatory fees\* remain unpaid as of this date.

**The Monthly Payment Plan** requires enrollment in the Nelnet Program which allows you to spread your spring 2022 fees\* over equal monthly payments, with the final payment due April 1, 2022. A non-refundable enrollment fee is required. Budget payments are made directly to the Nelnet payment processor. The Variable Payment Plan Fee will be automatically assessed according to the schedule below if your Nelnet budget, plus other resources, do not cover your academic and mandatory fee\* assessments.

**The Variable Payment Plan** allows you the flexibility of determining the amount and timing of your payments, requiring only that your account be paid in full no later than March 17, 2021. The Variable Payment Plan Fee will be automatically assessed according to the schedule below.

\*Includes distance delivery fee, recreation center fee, and/or health and wellness fee, etc. Excludes course/program fees, Non-term based Independent Study, Study Abroad, or Non-credit, and normally excludes non-web registered outreach courses.
