

Phase-In: Phase Two

The Office of Campus Recreation has worked diligently towards welcoming patrons back to its facilities and programs with reasoned adaptations required to prevent the spread of the COVID-19 virus. The below is a proposed phase-in approach to the re-opening of the Student Recreation Center and Campus Recreation programming. Phase Two is scheduled to start July 20, 2020.

“ALL individuals must wear a face shield, face covering, or mask (collectively referred to, hereinafter, as a “face covering”) over their nose and mouth when inside the Student Recreation Center. While exercising, (examples include, on cardio equipment, running on the track, in a group exercise class, swimming, where social distancing is maintained) the mask can be taken off, however, the mask must be worn when in common areas walking from one space or piece of equipment to another.”
