

1st DESTINATION SURVEY CLASS OF 2019

EXECUTIVE SUMMARY

The First Destination Report is the university-wide report of student post-graduation outcomes and activities. The purpose of this report and the data collection process is to understand and assess the post-graduation outcomes and activities of our students. The report includes information about the post-graduation outcomes of undergraduate and graduate students who graduated from Indiana State in August 2018, December 2018 and May 2019. Together, this is the Class of 2019. The report uses data collected from 1,846 of the 2,644 graduates, resulting in a 69.8% knowledge rate, in the Class of 2019 from the five colleges and the College of Graduate and Professional Studies.
