

# COLLEGE OF GRADUATE AND PROFESSIONAL STUDIES

## MASTER'S PROGRAMS

### Special Education, M.S.

This master's degree program is designed for students desiring advanced preparation for positions in special education in such agencies as public and private schools, child and family service agencies, medical settings, group homes, or other social service agencies. A student may add a special education teaching license to an existing teaching license by completing 27 credits of required course work, as well as the Culminating experience. However, a student will be recommended for licensure only at the development level of their existing license. The area of licensure will be mild interventions.
