Assessment Strategic Plan Project

- The purpose of assessment strategic planning is to promote an informed, engaged assessment culture across campus.
- Assessment Council will do a SWOT (strengths, weaknesses, opportunities, threats) analysis of the perceptions and practice of assessment on campus in order to identify our strategic goals.
- Before the 10/12 AC meeting:
 - Speak with at least three individuals in the area you represent on AC about their **perceptions, abilities, and engagement** regarding assessment (the people you speak with do not need to be identified).
 - Make notes of the general themes that come from those conversations to report at the next AC meeting.
